

Big Brothers Big Sisters
of Santa Barbara County

Dear Potential Volunteer,

Big Brothers Big Sisters, a program of Family Service Agency, matches kids from throughout our community with positive and fun adult volunteers who have similar interests, to create mutually rewarding relationships. In our own lives, each one of us was touched by someone--other than our parents--who introduced us to new worlds and brought a little magic into our lives...flying a kite, eating an ice cream sundae or taking a first trip to the ballpark. By becoming a Big Brother or Big Sister, you can do the same for a child, and you will both be forever changed by the experience.

The Big Brothers Big Sisters program aims to provide a fulfilling, enriching and fun experience for both Bigs and Littles. In order for us to get to know you and find you the perfect match, please:

- ◆ Complete and return your **Volunteer Enrollment Sheet**
- ◆ If we haven't done so already, we will call you to **Schedule an Orientation and Interview/Home Assessment** ~*Feel free to call us and schedule this right away if you'd like*

For the Interview, please:

- ☞ Bring proof of current **Automobile Insurance**
From your glove compartment

In the meantime, we will check your references and run a background and driving record check. We are excited about your interest in participating in our program. If you have any questions, or to set up an interview, please call our office at the number on the right. We look forward to getting to know you!

Sincerely,

Big Brothers Big Sisters Staff
